About the National Skills Needs List

The National Skills Needs List identifies trades that are determined as experiencing a national skills shortage.

The list is based on detailed labour market research and analysis.

Under the Australian Apprenticeships Incentives Programme, an Australian Apprentice undertaking a Certificate III or IV qualification that leads to an occupation listed on the National Skills Needs List may be eligible to attract the following employer incentives and personal benefits:

- Support for Adult Australian Apprentices
- Trade Support Loans
- Rural and Regional Skills Shortage Incentive

For more information about the National Skills Needs List for Australian Apprentices, contact your Australian Apprenticeship Support Network provider or visit the Australian Apprenticeships website at australianapprenticeships.gov.au.
